Why Choose Reef Organic?

Thoughtful Genetics

Carefully selected, from our extensive strain library, to appeal to the senses of the discerning cannabis consumer.

Organic Cultivation

Aquaponic and organic living soil cultivation methods using an award-winning system. FREE of synthetic fertilizers or pesticides.

Craft Indoor Batches

Dense bud structures with large and plentiful trichomes. Small batch drying and curing for high consistency, potency and moisture levels. White ash & a clean burn.

Bold Sensory

Environmentally sustainable and scientifically backed growing methods designed to enhance complex terpene and robust flavonoid profiles.

All of our products are certified organically grown and processed, hand-finished, graded and filled with sensory testing before release.
