Clean Green®  
CERTIFIED

# Why Choose Reef Organic?

## Our commitment is to the environment and premium organic products.

- ▶ 1st in Canada to be Clean Green certified
- ▶ Up to 90% less water and 50% less energy used during cultivation
- ▶ Environmentally friendly packaging
- ▶ Innovative, sustainable and award-winning cultivation methods
- ▶ Locally sourced materials
- ▶ All organic inputs FREE of synthetic fertilizers or pesticides

## Reef Organic consistently meets the following standards:

- ▶ Organic cultivation methods
- ▶ Prevention of soil erosion and nutrient runoff
- ▶ Water conservation methods
- ▶ Carbon Footprint Reduction (CFR) program
- ▶ Fair trade / fair working conditions
- ▶ Legal compliance
