**High Seas**

SATIVA  
DOMINANT

THC 21-26% CBD <2%

**YouTube** Whatever they are doing, they are doing it right!... The odour of the nugs is just beautiful...flavourful, and hits beautifully... **Whitest white ash**. If you want **incredible, shockingly strong weed** buy this. **It has been the overall best we had from the NSLC** *Bliss Bites Canadian Cannabis Reviews* **1,425 views**

Our team had the pleasure of trying your products over the weekend. **Best licensed producer product to date.** *SK Retailer*

...Reef High Seas Sativa is an **absolute beautiful product**. I love the smell when I open the container. I've have tried most of the sativas available at the NSLC and **your product beats the others hands down**...it is my go to purchase

*Blog* There were **tons of bright sparkly trichomes...potent fruity sativa** ...full review: [www.indicapable.ca/reef-high-seas](http://www.indicapable.ca/reef-high-seas)

...I can count on one hand the number of times we have opened a 3.5g jar that **actually weighed up and wasn't dry**, and none of those were labelled Organic - so kudos to the team at @reeforganic for a job well done...**Effects are uncanny - an almost opiate-like, floaty pain relief**

**Lift&co** **Wow. the aroma and taste are to die for. 26%?!** ...I am VERY impressed. **The buds are built beautifully and the smell is UNREAL.** Sweet, citrusy, herbal. Its a hard hitting Sativa and allows the mind to daydream or relaxing to whatever tunes or activity you desire! **I hope I get my hands on this again soon**

**"You have to get!!!!!!!!!!!!!!"**...Could go on and on about this strain. I evaluated everything about the buds I consume and this is one I will never turn away. **One of the best sativas** at 22% with an energetic bang

The only bud I found so far that **doesn't disappoint for the price**. Fresh, potent, the **terpenes are on point and its organic**...can't ask for much better!

Riding the waves with high seas...Great bud, **long lasting effects**, ...for a treat definitely worth it, nice high THC, thoroughly enjoyed this bud

...after a few good puffs - it **hits like a tidal wave**....would recommend those that can handle their weed...Buzz of energy, **super energetic and positive vibes**. Be aware that this can cause you to drown in thoughts and ideas...

**Lift&co** **Best they got right now** 26% THC this is really a hard hitting strain. Worth every cent, this had me high for multiple hours from two popers out of the bong...Will be buying again. **Big buds dense and cured right**

...was a treat **nice frosty buds** that were even a few points over. I smoked it with a few friends and we all got a **very nice head high** off it

**High end price for high end product**

The high was great and the product **looked and smelled like Ghost Train Haze**. Real nice!

... I fired this little beauty up...**It came on fast** and kept on going and going!... It **lasted me a good 4 hrs**

...Some of **the best, cleanest smoking experience** I had yet

...**one of my favs of all time 5.0**

Simply awesome...this my go to. **I have not found any other strains that provide this hard hitting sativa punch**. Try it, you won't be disappointed **5.0**

**Absolutely fantastic!** Easily my favourite strain in Nova Scotia stores. Organic, local, very high potency, great taste, smooth smoke with nice powdery ash...**Will continue to buy regularly 5.0**

...Love this company and strain! Great **big bright green buds**, excellent sativa...

**This is Top quality Cannabis!!** Lil pricey but I'm good with that.. **I'll pay top dollar** for Cannabis in the Legacy market without blinking a eye, so I'll do the same in the Legal market

**reddit** ...Wanted to see if the high THC with a good strain would do something. It's probably tied for the best weed I've ever had from OCS...Been smoking for 20 years...

...High Seas **is actually shockingly good**.

High THC Cannabis Strains for the Experienced Consumer **Recommended High THC strain**

Our hats off to the @reeforganic team for being **the first to deliver us a product that passed our humidity and weight quantitative tests**.

**Truly phenomenal terps**, really nice moisture content and great buds overall

We had the most fantastic experience.... the flavours and smells that came off this product were like no other. **It was the tastiest cannabis we've pressed yet!**
