pleasant taste.

Tranquil HIGH CBD ORGANIC OIL

THC <1 mg/g CBD 20 mg/g

Tranquil pays tribute to a calm, smooth ocean with its peaceful, serene water lapping our southern shoreline. Our organic sunflower oil is selected for its stability, and mild tasting presentation. CBD is preferred by the consumer looking to relax without the consumption of THC.

Tranquil is the first single-source organic cannabis oil from *Reef Organic*. *Tranquil* is extracted using supercritical CO₂ and features a high level of CBD.

Tranquil is Clean Green Certified (*Aqualitas/Reef* is the first LP in Canada to earn this certification)- an acknowledgement of *Reef Organic's* international organic cultivation practices. All products are sensory tested for quality under the LP's research licence.
